# **The Health Care of Homeless Persons: A Manual of Communicable Diseases & Common Problems in Shelters & on the Streets**

**James J. O'Connell, MD, Editor**

with  
Stacy E. Swain, MPH  
Christine Loeber Daniels  
Joslyn Strupp Allen, MSW

### **A Publication of the Boston Health Care for the Homeless Program**

This lavishly illustrated, 384-page manual describes serious health problems that commonly afflict homeless persons and discusses appropriate responses. It is written for clinicians, health educators, shelter staff and volunteers. The manual includes convenient patient education materials that can be easily reproduced and given to shelter guests and staff. Single copies cost \$15, postage paid.
